Rising Sign

Rising Sign (aka. *Signo Ascendenté*)! This dynamic band of seasoned (no pun intended) musicians plays an irresistible mix of Salsa, Cha-Cha, Merengue, and Samba, including original pieces and well known hits. This 9-piece orchestra is made up of a three piece screamin' horn section, soaring flute, burning guitar, sparkling keyboards, funky solid bass, ripping smokin' timbales, congas, guiro, and bongo, with layers of distinctly rich vocalists and harmonies. They will help to bring the sounds of the Caribbean to our Spring Carnival in the Islands just for you!

Rising Sign's sound is bright, hot and exciting and perfect for any occasion! Whether they are singing in English, Spanish, or Portuguese, they sing about love, dancing, freedom, and the joy of being ourselves. Their lively dance music will make you want to share in the fun!
