Nancy Arif, Latin  
dance instructor

**Salsa Revolution** is an Ithaca based, Latin dance company affiliated with Oasis Dance Club. Nancy Cheri Arif, the founder of Salsa Revolution, will bring a group of 6 - 8 dancers who will perform and teach Salsa. Rueda de Casino is Salsa, danced in a wheel or circle, with a caller or Cantante directing the group. The Cantante is influenced by the music and leads the wheel into moves that bring the wheel to life.

This exciting new performance group invites you to help them choose a name that fits their presentation to you!
